VISION: To be a leading pharmacy institution, nurturing young pharmacists by fostering a culture of academic excellence, innovation and collaboration and community engagement to strengthen health care system.

## **ABOUT TRUST AND CAMPUS**

**Sakeshwar Gramin Vikas Seva Sanstha** is a progressive and visionary trust dedicated to advancing education and fostering rural development. Established on 24th September 2004, the trust has been pivotal in transforming the academic and professional landscape in the region by providing quality education and empowering individuals to reach their full potential.

Driven by the belief in the transformative power of education, the trust tirelessly works to create equitable access to high-quality learning opportunities, particularly for rural communities. Recognizing the significance of globalization and the need for holistic educational approaches, the trust established **Adsul Educational Campus** in Ahmednagar district. This institution, along with other educational initiatives, operates under the trust's guidance to deliver a well-rounded, experiential learning experience.

The trust's efforts are guided by its **founder member and president, Hon. Prof. Anirudha Manik Adsul**, whose vision and dedication to educational excellence have been instrumental in driving progress and societal

development.

### **Core Objectives of the Trust**

**Promotion of Education:** Establishing and managing institutions to meet diverse academic needs, with a strong emphasis on technical and professional education, particularly in pharmacy.

**Holistic Development:** Fostering all-round student growth by integrating academic excellence with values, ethics, and social responsibility.

**Infrastructure Development:** Providing state-of-the-art facilities and resources that enable students to excel in a competitive and dynamic world.

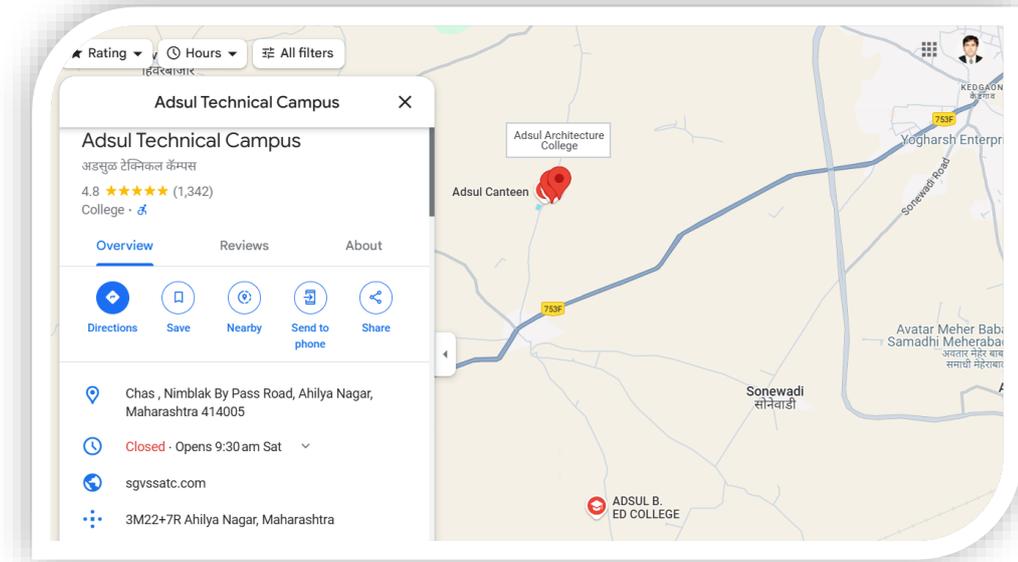

**Community Service:** Implementing programs and initiatives that uplift rural communities through education and awareness campaigns.

#### Flagship Initiative

The trust's dedication to educational excellence is epitomized by the establishment of Sakeshwar College of Pharmacy, which creates an ecosystem of knowledge, innovation, and growth. This institution prioritizes research and academic rigor to prepare students not only for professional success but also for meaningful contributions to society.

With its steadfast commitment to progress, innovation, and societal well-being, Sakeshwar Gramin Vikas Seva Sanstha remains a beacon of hope and growth, empowering future generations to thrive and create a positive impact.

## **CHAIRMAN'S MESSAGE**

### **HON'BLE PROF. ANIRUDHA M. ADSUL**

**Founder President and Chairman**

**Sakeshwar Gramin Vikas Seva Sanstha, Ahmednagar, Maharashtra.**

It is my privilege to introduce one of the leading educational institutions in Maharashtra, **Sakeshwar College of Pharmacy**, established with the vision of providing high-quality technical and professional education. The college is dedicated to creating a transformative learning environment for students, fostering growth in both academic and personal spheres.

The institute boasts state-of-the-art laboratories equipped with advanced technology, supporting hands-on learning and innovative research in the field of pharmacy. Our qualified and experienced faculty members are committed to excellence in teaching, continuously updating their knowledge to stay abreast of the latest trends in pharmaceutical education.

At Sakeshwar College of Pharmacy, we believe in nurturing future leaders in pharmacy and healthcare. Our students gain not only technical expertise but also the confidence and skills to assume leadership roles in their chosen fields.

We understand that holistic development is crucial for success in today's world. Students are encouraged to participate in a variety of extracurricular activities, including Personality Development Programs to enhance their intellectual and social skills. Sports, Cultural, and Social Activities to foster teamwork, creativity, and community engagement.

Our campus provides a vibrant environment for learning and growth, with comprehensive facilities to support both academic and extracurricular pursuits.

All students, both undergraduate and postgraduate, benefit from a residential campus that promotes active participation in co-curricular and extracurricular activities. This immersive environment contributes to their holistic personality development, preparing them to excel in all aspects of life.

With faculty members residing on campus as well, the institute fosters a close, family-like relationship between students and teachers, creating a supportive and nurturing atmosphere.

Sakeshwar College of Pharmacy is more than just an educational institution it is a community committed to excellence, innovation, and growth. I extend my best wishes to the institute, its faculty, and its students for continued success in shaping the future of pharmacy education.

## **SECRETARY'S MESSAGE**

**DR. LEENA A. ADSUL**

### **SECRETARY, SAKESHWAR GRAMIN VIKAS SEVA SANSTHA**

Dear Students, Faculty Members, and Well-wishers,

It is with great pride and immense pleasure that I extend my heartfelt greetings to you all. As the Secretary of Sakeshwar Gramin Vikas Seva Sanstha, I take this opportunity to express my gratitude to our dedicated faculty, enthusiastic students, and all those who contribute to the growth and success of our institution.

**Sakeshwar College of Pharmacy (D. & B. Pharmacy), Chas, Ahilyanagar** was established with a vision to impart quality pharmaceutical education, foster innovation, and nurture professionals who will make meaningful contributions to the healthcare sector. Today, as we progress towards excellence, we remain committed to equipping our students with knowledge, skills, and values that align with the ever-evolving pharmaceutical industry and global healthcare needs. Education in pharmacy is not just about acquiring knowledge; it is about developing a deep sense of responsibility, ethical practice, and dedication to improving lives.

At Sakeshwar College of Pharmacy, we believe in the holistic development of our students. Beyond academics, we emphasize leadership, teamwork, communication skills, and a strong ethical foundation quality that are essential in today's competitive world. We encourage students to be proactive, embrace challenges, and work towards building a promising future not only for themselves but for the betterment of society. Our faculty members play a pivotal role in shaping young minds and instilling in them a passion for research, innovation, and lifelong learning.

As we move forward, I assure you that we will continue to uphold the highest standards of education, research, and professional development. Let us all work together to make Sakeshwar College of Pharmacy a centre of excellence and innovation in pharmaceutical education.

**Wishing you all great success in your academic journey and future endeavours!**

## **CAMPUS DIRECTOR'S MESSAGE**

It is with great pleasure that I extend a warm welcome to all students, faculty members, and stakeholders of **Sakeshwar Gramin Vikas Seva Sanstha's Sakeshwar College of Pharmacy**. Our institution is committed to providing quality education, fostering innovation, and nurturing future pharmacy professionals who will contribute to healthcare and society.

At Sakeshwar College of Pharmacy, we believe in a holistic approach to learning that combines academic excellence with practical experience. Our curriculum is designed to equip students with the necessary knowledge, skills, and ethical values required to excel in the pharmaceutical field. With state-of-the-art infrastructure, experienced faculty, and industry collaborations, we strive to create an environment that encourages research, entrepreneurship, and lifelong learning.

Pharmacy is a dynamic profession with a crucial role in patient care, drug discovery, and healthcare advancements. As the pharmaceutical sector evolves, we are dedicated to preparing our students to meet the challenges of the future through innovation, critical thinking, and leadership.

I encourage our students to be inquisitive, dedicated, and proactive in their learning journey. Make the most of the opportunities provided, participate in extracurricular activities, and develop a spirit of excellence in all endeavors.

Let us work together towards achieving academic brilliance, research excellence, and professional growth.

**Best wishes for a bright future!**

**Dr. Sambhaji Pathare**

Campus Director, CSMI, SGVSS

## **PRINCIPALS MESSAGE**

**DR. SANDESH RANGNATH WAYAL**  
**M. PHARM. & PH. D.**

**Welcome to Sakeshwar Gramin Vikas Seva Sanstha's Sakeshwar College of Pharmacy (SCP), Chas, Ahmednagar** - a premier institution committed to advancing pharmacy education and shaping future healthcare professionals.

As Principal, I am proud to lead a vibrant community of educators, researchers, and aspiring pharmacists who share a common vision: **to be a center of excellence in pharmacy education, empowering our students to improve healthcare outcomes through knowledge, innovation, and compassion.**

Our mission at SCP is to foster **academic excellence, ethical practice, innovation, and community engagement.** We prepare our students not only to be successful professionals but also responsible contributors to society and the healthcare system at large.

As the **Father of Medicine, Hippocrates**, famously said:

*"Wherever the art of medicine is loved, there is also a love of humanity."*

This quote reflects our philosophy- where the science of healing is inseparable from compassion and a deep commitment to human welfare.

We also draw inspiration from **Theophrastus**, the Father of Botany, who wisely stated:

*"The art of healing comes from nature, not from the physician. Therefore, the physician must start from nature, with an open mind."*

Rooted in this understanding, SCP proudly integrates the **richness of India's traditional systems of medicine**, including Ayurveda, into our academic and research practices. These time-honoured systems emphasize balance, natural healing, and patient-centred care concepts that align deeply with modern pharmaceutical values.

This timeless principle *"A physician, though well versed in the knowledge of the science, does not become competent merely by that; he must also be practically skilful"* is at the heart of our pedagogy. We not only teach the science but also instil practical skills, empathy, and a sense of duty in our students.

At SCP, our highly qualified faculty, modern infrastructure, and industry-aligned curriculum ensure a **holistic learning experience** that combines traditional wisdom with contemporary science. We encourage **interdisciplinary collaboration, critical thinking, creativity**, and **social responsibility** among our students.

**I warmly invite you to join us on this enriching journey.** Whether you are a prospective student, parent, academician, or healthcare partner - together, let us lead the way toward a future where pharmacists play a pivotal role in healthcare transformation.

**Best wishes for a successful, meaningful, and impactful journey with SCP. Thank you for entrusting SCP to shape the future of pharmacy education and healthcare innovation.**

## **ABOUT THE INSTITUTE**

At **Sakeshwar Gramin Vikas Seva Sanstha's Sakeshwar College of Pharmacy, Chas, Ahmednagar**, we firmly believe that education is the cornerstone of an individual's complete development. As a premier teaching institution, we are dedicated to nurturing the inherent potential of our students by addressing the growing demand for higher technical education in the field of pharmacy.

Our commitment lies in adapting to emerging technologies, innovative methodologies, diverse disciplines, and modern resources to stay ahead of educational advancements. As we evolve, our focus remains steadfast on academic excellence, ensuring the provision of high-quality faculty, cutting-edge resources, and state-of-the-art infrastructure.

### **Our structured approach emphasizes,**

- ***Academic Excellence:*** Providing a rigorous curriculum tailored to meet the ever-changing demands of the pharmaceutical industry.
- ***Versatility:*** Adopting a flexible and student-centric approach to learning, fostering critical thinking, and innovation.
- ***Commitment to Education and Research:*** Encouraging students to pursue knowledge through robust academic and research initiatives, ensuring a well-rounded educational experience.

Through this vision, we aspire to build a vibrant, knowledge-driven society. Our institute serves as a beacon of growth, sharing knowledge, enhancing skills, and inspiring future pharmacists to contribute meaningfully to the healthcare sector and society at large.

Together, we aim to shape not just professionals but responsible citizens who will lead and transform the pharmaceutical world with expertise and integrity.

## **VISION AND MISSION OF THE INSTITUTE**

### **Vision**

To be a leading pharmacy institution, nurturing young pharmacists by fostering a culture of academic excellence, innovation and collaboration and community engagement to strengthen health care system.

### **Missions**

**M1:** Nurturing future pharmacists through academic excellence, innovation, and community engagement to transform healthcare.

**M2:** Empowering pharmacy leaders who excel in education, research, and community service to improve health outcomes.

**M3:** Cultivating a community of pharmacists who innovate, collaborate, and serve to advance the healthcare sector.

### **Quality Policy of the Institute**

Our institute is committed to fostering academic excellence, innovation, and ethical professionalism in pharmacy education, while empowering students and faculty to engage in research, community service, and sustainable practices, thereby contributing meaningfully to the healthcare sector and societal well-being.

### **Objectives of the Institute**

- 1. Enhance Academic Excellence:** Continuously improve curriculum and teaching methods to foster critical thinking, practical skills, and academic rigor in pharmacy education.
- 2. Promote Innovation and Research:** Support faculty and student research initiatives, encouraging innovation and the development of solutions that address healthcare challenges.
- 3. Strengthen Community Engagement:** Involve students and faculty in community health programs, fostering social responsibility and contributing to improved health outcomes.
- 4. Develop Professional and Ethical Standards:** Instill ethical values and professional behavior, preparing students to be responsible and service-oriented pharmacists.
- 5. Foster Industry Collaboration:** Build partnerships with healthcare organizations and industries to align education with current trends and create practical learning opportunities.

## **ACADEMIC EXCELLENCE**

Sakeshwar College of Pharmacy, Chas, Ahmednagar, prides itself on fostering a culture of academic rigor and excellence among students and faculty members. The institution consistently supports research, innovation, and professional development in the field of pharmacy. Sakeshwar College of Pharmacy remains committed to cultivating an environment that inspires academic excellence. By celebrating milestones and achievements, the institution not only acknowledges hard work but also motivates its members to continue striving for greater heights in the field of pharmacy.

Through these collective efforts, the college envisions being a centre of excellence in pharmaceutical education, research, and innovation, contributing meaningfully to society and the healthcare sector.

## **STUDENT'S CONTRIBUTION**

At Sakeshwar College of Pharmacy, students are celebrated not only for their academic accomplishments but also for their creative and artistic talents. The institution provides a platform for students to express their innovative ideas, emotions, and perspectives through various forms of art and literature.

By celebrating student creativity, Sakeshwar College of Pharmacy nurtures well-rounded individuals, blending academic brilliance with artistic expression, fostering innovation, and inspiring future leaders in every sense.

## EVENT HIGHLIGHTS

### Industrial Visit at Bora Pharmaceuticals, Ahmednagar

An industrial visit was organized by Sakeshwar College of Pharmacy to Bora Pharmaceuticals, Ahmednagar, providing students with valuable industry exposure. The visit aimed to bridge the gap between academic learning and practical application, emphasizing the manufacturing processes and quality assurance practices in the pharmaceutical industry.

During the visit, students were introduced to various departments, including production, quality control, and packaging. Industry experts explained the processes involved in drug formulation and the adherence to Good Manufacturing Practices (GMP). Students also learned about modern equipment and technologies used in pharmaceutical manufacturing.

The visit enriched students' understanding of the pharmaceutical industry's working environment and inspired them to align their academic pursuits with industrial demands. The college management appreciated Bora Pharmaceuticals for facilitating this educational experience and encouraged students to make the most of such opportunities for their professional growth.

The visit concluded with a vote of thanks extended by the faculty, emphasizing the importance of integrating theoretical knowledge with industrial practices.

### **Blood Donation Camp Organized in the College**

A Blood Donation Camp was successfully organized at the college, highlighting the institution's commitment to social responsibility and community welfare. The event was conducted in collaboration with a reputed blood bank, ensuring proper medical supervision and safety protocols.

The camp witnessed enthusiastic participation from students, faculty, and staff, reflecting a collective spirit of humanity and generosity. Expert medical professionals facilitated the donation process, ensuring donors' comfort and well-being. Informative sessions on the importance of blood donation and its life-saving impact were also conducted during the event.

By the end of the camp, a significant number of blood units were collected, which will contribute to saving lives in critical medical situations. The college administration extended its gratitude to all participants and the organizing team for making the event a grand success. This initiative reinforced the values of empathy and social responsibility among the college community.

## Annual Social Gathering “SYNERGY 2K24”

The Annual Social Gathering “SYNERGY 2K24” was celebrated with great zeal at Adsul Educational Campus, providing a vibrant platform for students from various institutions, including Sakeshwar College of Pharmacy, to exhibit their talents and foster a sense of unity.

Students from Sakeshwar College of Pharmacy actively participated in an array of cultural performances such as dances, skits, and musical acts, which captivated the audience. They also showcased their skills in creative competitions like rangoli-making, fashion shows, and quiz contests, bringing pride to their institution through their enthusiastic involvement and exceptional performances.

The contributions of the students from Sakeshwar College of Pharmacy were highly appreciated by dignitaries and organizers, who commended their talent, discipline, and dedication. The event concluded with a vote of thanks, acknowledging the efforts of all participants, including those from Sakeshwar College of Pharmacy, for making “SYNERGY 2K24” a grand success.

This celebration highlighted the creative and collaborative spirit of the students while strengthening their bonds with the broader campus community.

## Snehalaya, Motilal Firodia Center for Inspiration, Ahmednagar

Students and faculty from Sakeshwar College of Pharmacy visited Snehalaya, Motilal Firodia Center for Inspiration, as part of a community engagement and learning initiative. The visit aimed to foster social awareness and inspire students through exposure to the center's impactful work in supporting underprivileged communities.

During the visit, the participants were introduced to Snehalaya's various programs, including education, healthcare, and rehabilitation services. Students interacted with the center's staff and beneficiaries, gaining insights into the challenges faced by marginalized groups and the innovative solutions employed by Snehalaya to address these issues.

The visit left a profound impact on the students, inspiring them to consider the broader societal responsibilities of healthcare professionals. Faculty members expressed gratitude to Snehalaya for hosting the group and providing a valuable learning experience.

This visit reinforced the values of empathy, service, and social responsibility among the participants, contributing to their holistic development.

**Visit at Orphan center “SNEHALAY” Ahmednagar**

## Hospital visits at Sub- District Hospital of Kedgaon

Sakeshwar College of Pharmacy organized a hospital visit to Sub-District Hospital, Kedgaon, providing students with a hands-on learning experience in the healthcare sector. The visit aimed to enhance students' understanding of hospital operations, patient care, and the role of pharmacists in clinical settings.

During the visit, students observed various departments, including outpatient services, inpatient wards, and the pharmacy unit. They were briefed by hospital staff on medication dispensing practices, inventory management, and the importance of proper patient counseling. Additionally, students gained insights into diagnostic services and the coordination between medical professionals in delivering comprehensive care.

The visit allowed students to connect their academic knowledge with real-world applications, fostering a deeper appreciation for their future roles as pharmacists. Faculty members expressed their gratitude to the hospital administration for facilitating this enriching educational experience.

Such visits are integral to preparing students for professional challenges and instilling a commitment to excellence in patient care.

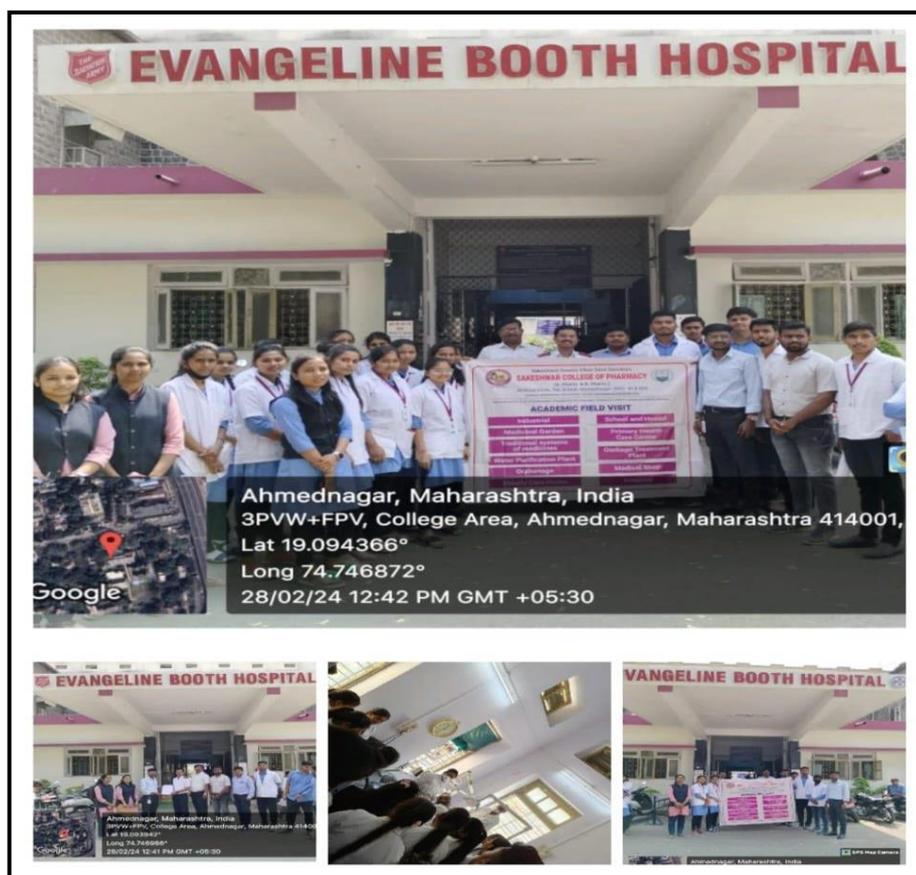

### Visit at Water purification plant, Ahmednagar

Sakeshwar College of Pharmacy organized an educational visit to a water purification plant in Ahmednagar, aiming to provide students with practical insights into water treatment processes and the importance of clean water in public health.

During the visit, students were guided through the various stages of water purification, including sedimentation, filtration, and disinfection. Experts at the plant explained the significance of each process in ensuring water safety and quality. They also highlighted the technologies and equipment used in modern water treatment systems.

The visit offered students a better understanding of how waterborne diseases can be prevented through effective purification methods. It also underscored the critical role of pharmacists in promoting public health by advocating for clean water and hygiene.

Faculty members thanked the plant management for their hospitality and detailed explanations. The visit was a valuable experience, enhancing the students' awareness of environmental health and the importance of sustainable water management practices.

### Hospital visits at EVANGELIN BOOTH HOSPITAL, Ahmednagar

Sakeshwar College of Pharmacy organized a hospital visit to Evangelin Booth Hospital, Ahmednagar, offering students an opportunity to gain practical insights into the healthcare environment and the role of pharmacists in patient care.

During the visit, students toured different departments of the hospital, including the outpatient and inpatient wards, diagnostic services, and the pharmacy unit. Hospital staff provided detailed explanations about the hospital's daily operations, medication management, and patient care procedures. Students learned about the processes involved in medication dispensing, prescription verification, and the importance of pharmacists in ensuring safe medication use.

The visit also highlighted the interdisciplinary teamwork between doctors, nurses, and pharmacists, emphasizing the critical role of pharmacists in promoting patient safety and wellness.

Faculty members expressed appreciation for the hands-on learning experience and thanked the hospital staff for their informative sessions. The visit proved to be a valuable learning experience for the students, deepening their understanding of hospital pharmacy operations and the healthcare system.

### **Visit at Jilha Parishad Prathmik Shala, Kedgaon**

Sakeshwar College of Pharmacy organized a visit to the District Primary School in Kedgaon, aiming to promote community engagement and social awareness among students. The visit was an opportunity for students to interact with young learners and understand the role of education in shaping future generations.

During the visit, the students of Sakeshwar College of Pharmacy engaged in various activities, including educational games, health awareness programs, and interactive sessions on hygiene and wellness. The students also distributed educational materials and offered guidance on maintaining personal health, including the importance of sanitation, nutrition, and basic healthcare practices.

The visit was not only an enriching experience for the students of Sakeshwar College of Pharmacy but also helped in raising awareness among the children at the primary school about health and wellness. Faculty members expressed their gratitude for the warm reception and the opportunity to contribute to the educational development of the children.

This visit was a part of the college's ongoing efforts to foster social responsibility and instill a sense of community service in its students.

### Visit to Siddhivinayak Medical, Chemist & Druggist, Ahmednagar

Sakeshwar College of Pharmacy organized a visit to Siddhivinayak Medical, Chemist & Druggist, located in Ahmednagar, to provide students with practical exposure to the daily operations of a retail pharmacy. The visit offered valuable insights into the role of pharmacists in the community and the essential services provided by a pharmacy.

During the visit, students observed the processes involved in dispensing prescription medications, over-the-counter drugs, and healthcare products. The staff demonstrated the importance of accurate medication labelling, patient counselling, and maintaining pharmacy records. Additionally, students gained an understanding of inventory management and the role of pharmacists in ensuring medication safety and compliance with regulations.

The visit also highlighted the pharmacist's role in providing health advice, answering patients' queries, and offering preventive healthcare solutions. Faculty members thanked the pharmacy staff for their informative guidance and the opportunity to observe the day-to-day activities of a retail pharmacy.

This visit proved to be a significant learning experience for the students, enhancing their understanding of the practical aspects of pharmacy practice and its impact on community health.

## Cleanliness Drive at Chas, Ahmednagar

Sakeshwar College of Pharmacy organized a Cleanliness Drive at Chas, Ahmednagar, as part of its commitment to social responsibility and community well-being. The drive aimed to raise awareness about the importance of maintaining cleanliness and environmental hygiene.

Students, faculty, and local residents actively participated in the event, working together to clean public spaces, streets, and local areas prone to waste accumulation. The participants collected waste, sorted recyclables, and educated the community members about proper waste disposal practices.

The event also included awareness campaigns, where students distributed informative pamphlets on waste management, the dangers of littering, and the benefits of a clean environment. The drive not only contributed to a cleaner environment but also fostered a sense of community spirit and environmental responsibility among the participants.

The event concluded with a vote of thanks, recognizing the efforts of all volunteers and community members who contributed to the success of the cleanliness initiative. This drive reflected the college's dedication to promoting sustainable living and instilling a sense of civic duty among students.

### **“Pharma rally on occasion of National Pharmacy Education Day”**

Sakeshwar College of Pharmacy organized a Pharma Rally to commemorate National Pharmacy Education Day, aiming to highlight the crucial role of pharmacists in healthcare and emphasize the importance of pharmacy education.

The rally saw active participation from students, faculty, and staff, who marched through the local streets, showcasing banners and placards with key messages about the contributions of pharmacists to healthcare. They also distributed educational pamphlets to the public, focusing on responsible medication practices, patient safety, and the expanding role of pharmacists in modern medicine.

The rally served as an opportunity to celebrate the significance of pharmacy education in developing skilled healthcare professionals and raising awareness about the vital work of pharmacists. By interacting with the community, the event helped enhance public understanding of the pharmacy profession and its societal impact.

Faculty and students felt a strong sense of pride and fulfilment in being part of this event, which concluded with renewed enthusiasm and a shared commitment to advancing the field of pharmacy education.

### **Quiz competition organized on occasion of World Pharmacist Day**

Sakeshwar College of Pharmacy organized a Quiz Competition to celebrate World Pharmacist Day, aimed at promoting awareness about the pharmacy profession and encouraging students to expand their knowledge in pharmaceutical sciences.

The competition saw enthusiastic participation from students, who were tested on various topics including pharmacology, pharmaceutical ethics, drug safety, and the role of pharmacists in healthcare. The quiz was designed to challenge participants' understanding of the field while fostering a spirit of healthy competition and learning.

The event was well-received by both participants and spectators, with the winners receiving certificates and recognition for their performance. The quiz not only highlighted the importance of pharmacy but also provided an engaging platform for students to showcase their academic excellence.

The event concluded with a vote of thanks, appreciating the efforts of all involved, and reinforcing the significance of World Pharmacist Day in recognizing the vital contributions of pharmacists to public health.

## Tree Plantation on occasion of World Pharmacist Day

Sakeshwar College of Pharmacy marked World Pharmacist Day by organizing a Tree Plantation event at the institute's Herbal Garden, reinforcing the connection between pharmacy, healthcare, and environmental sustainability.

The event saw active participation from students, faculty, and staff, who collectively planted various medicinal plants and herbs in the garden. The initiative aimed to promote the significance of plants in pharmaceutical practices, as well as raise awareness about the environmental responsibilities of healthcare professionals.

Participants were educated on the therapeutic properties of the plants being planted, highlighting their potential uses in traditional medicine and modern pharmaceutical practices. The activity also emphasized the importance of environmental conservation in promoting public health and the role of pharmacists in maintaining a balance between nature and healthcare.

The event concluded with a commitment to continued care for the herbal garden and the recognition of the collective efforts in contributing to a greener and healthier environment. The tree plantation activity was a meaningful addition to the celebrations of World Pharmacist Day, fostering a sense of social responsibility and environmental awareness among the participants.

## **Student Act plays on the topic Women Empowerment on occasion of World Pharmacist Day**

Sakeshwar College of Pharmacy celebrated World Pharmacist Day by organizing a student act (skit) on the theme of Women Empowerment. The event aimed to raise awareness about the importance of gender equality and the empowerment of women, aligning with the global focus on health and community well-being.

The skit, performed by a group of enthusiastic students, depicted various scenarios highlighting the challenges faced by women in society and the significant role empowerment plays in overcoming these barriers. Through powerful dialogues and performances, the students portrayed the importance of education, economic independence, and the need for supportive healthcare systems in empowering women.

The performance received an overwhelming response from the audience, sparking discussions on how women's health and empowerment are crucial in achieving broader societal development. The skit not only provided entertainment but also delivered an important social message, inspiring both the students and the faculty to continue advocating for gender equality in all spheres of life.

The event concluded with a vote of thanks, acknowledging the efforts of the students for their impactful performance and emphasizing the role of pharmacists in promoting social change and empowerment in communities.

## **Rangoli competition organized on occasion of World Pharmacist Day**

Sakeshwar College of Pharmacy celebrated World Pharmacist Day by organizing a Rangoli competition, aimed at fostering creativity and community engagement while promoting the significance of the pharmacy profession.

The competition saw enthusiastic participation from students, who used vibrant colors and intricate designs to create beautiful Rangolis. Each design depicted various aspects of the pharmacy field, such as medicinal plants, pharmaceutical symbols, and health-related themes. The students demonstrated their artistic skills while symbolizing the vital role of pharmacists in promoting public health.

The event was judged on creativity, relevance to the theme, and overall presentation, with winners receiving recognition for their outstanding contributions. The Rangoli competition was a colorful and engaging way to celebrate World Pharmacist Day, encouraging students to express their passion for the profession through art.

The event concluded with a vote of thanks, appreciating the efforts of all participants and emphasizing the importance of celebrating the contributions of pharmacists in healthcare.

Sakeshwar College of Pharmacy celebrated World Pharmacist Day by organizing a Personality Development Program aimed at enhancing the personal and professional growth of students. The program focused on equipping students with the essential skills needed to succeed in the dynamic healthcare and pharmaceutical industries.

The session included interactive discussions and practical exercises on topics such as effective communication, leadership, time management, and self-confidence. Expert speakers, including industry professionals and faculty members, shared valuable insights into how personality development plays a crucial role in shaping successful careers in pharmacy.

Students participated actively in group activities, role-playing, and self-reflection exercises, which helped them understand the importance of soft skills in patient interaction, teamwork, and professional conduct.

The program was well-received, with students expressing enthusiasm about applying the skills learned to their academic and professional lives. The event concluded with a vote of thanks, acknowledging the contribution of all speakers and participants in making the program a success.
